

DJE-30 HIGH-PRESSURE JET WASHER – POWERFUL & EFFICIENT CLEANING

Experience unmatched performance with the DJE-30, designed for deep cleaning, tough stain removal, and versatile applications across industries.

Product Size & Specifications

Explore the precise dimensions and technical details for optimal performance and compatibility.

735mm

480mm

475mm

Pressure	150Bar	Weight	50Kg
Flow Rate	15L/Min	Water Tank	NA
Fuel	Electric	Working Time	NA
Power	3Kw	Product Size	735*475*480mm
Voltage	220V	Hose Length	15m
Speed	2880Rpm	Wire	5m

Powerful High-Pressure Cleaning for Superior Performance

Enhanced water pressure technology for deep cleaning, making car washing and heavy-duty tasks effortless.

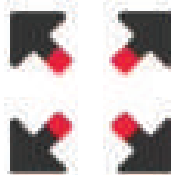

DJE-18 – Six Core Strengths for Superior Cleaning

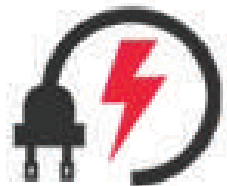

Engineered for efficiency and power with advanced features like a booster motor, high mobility, intelligent start-stop, and multiple water options for a seamless cleaning experience.

**Overload Protection
Use With Peace Of Mind**

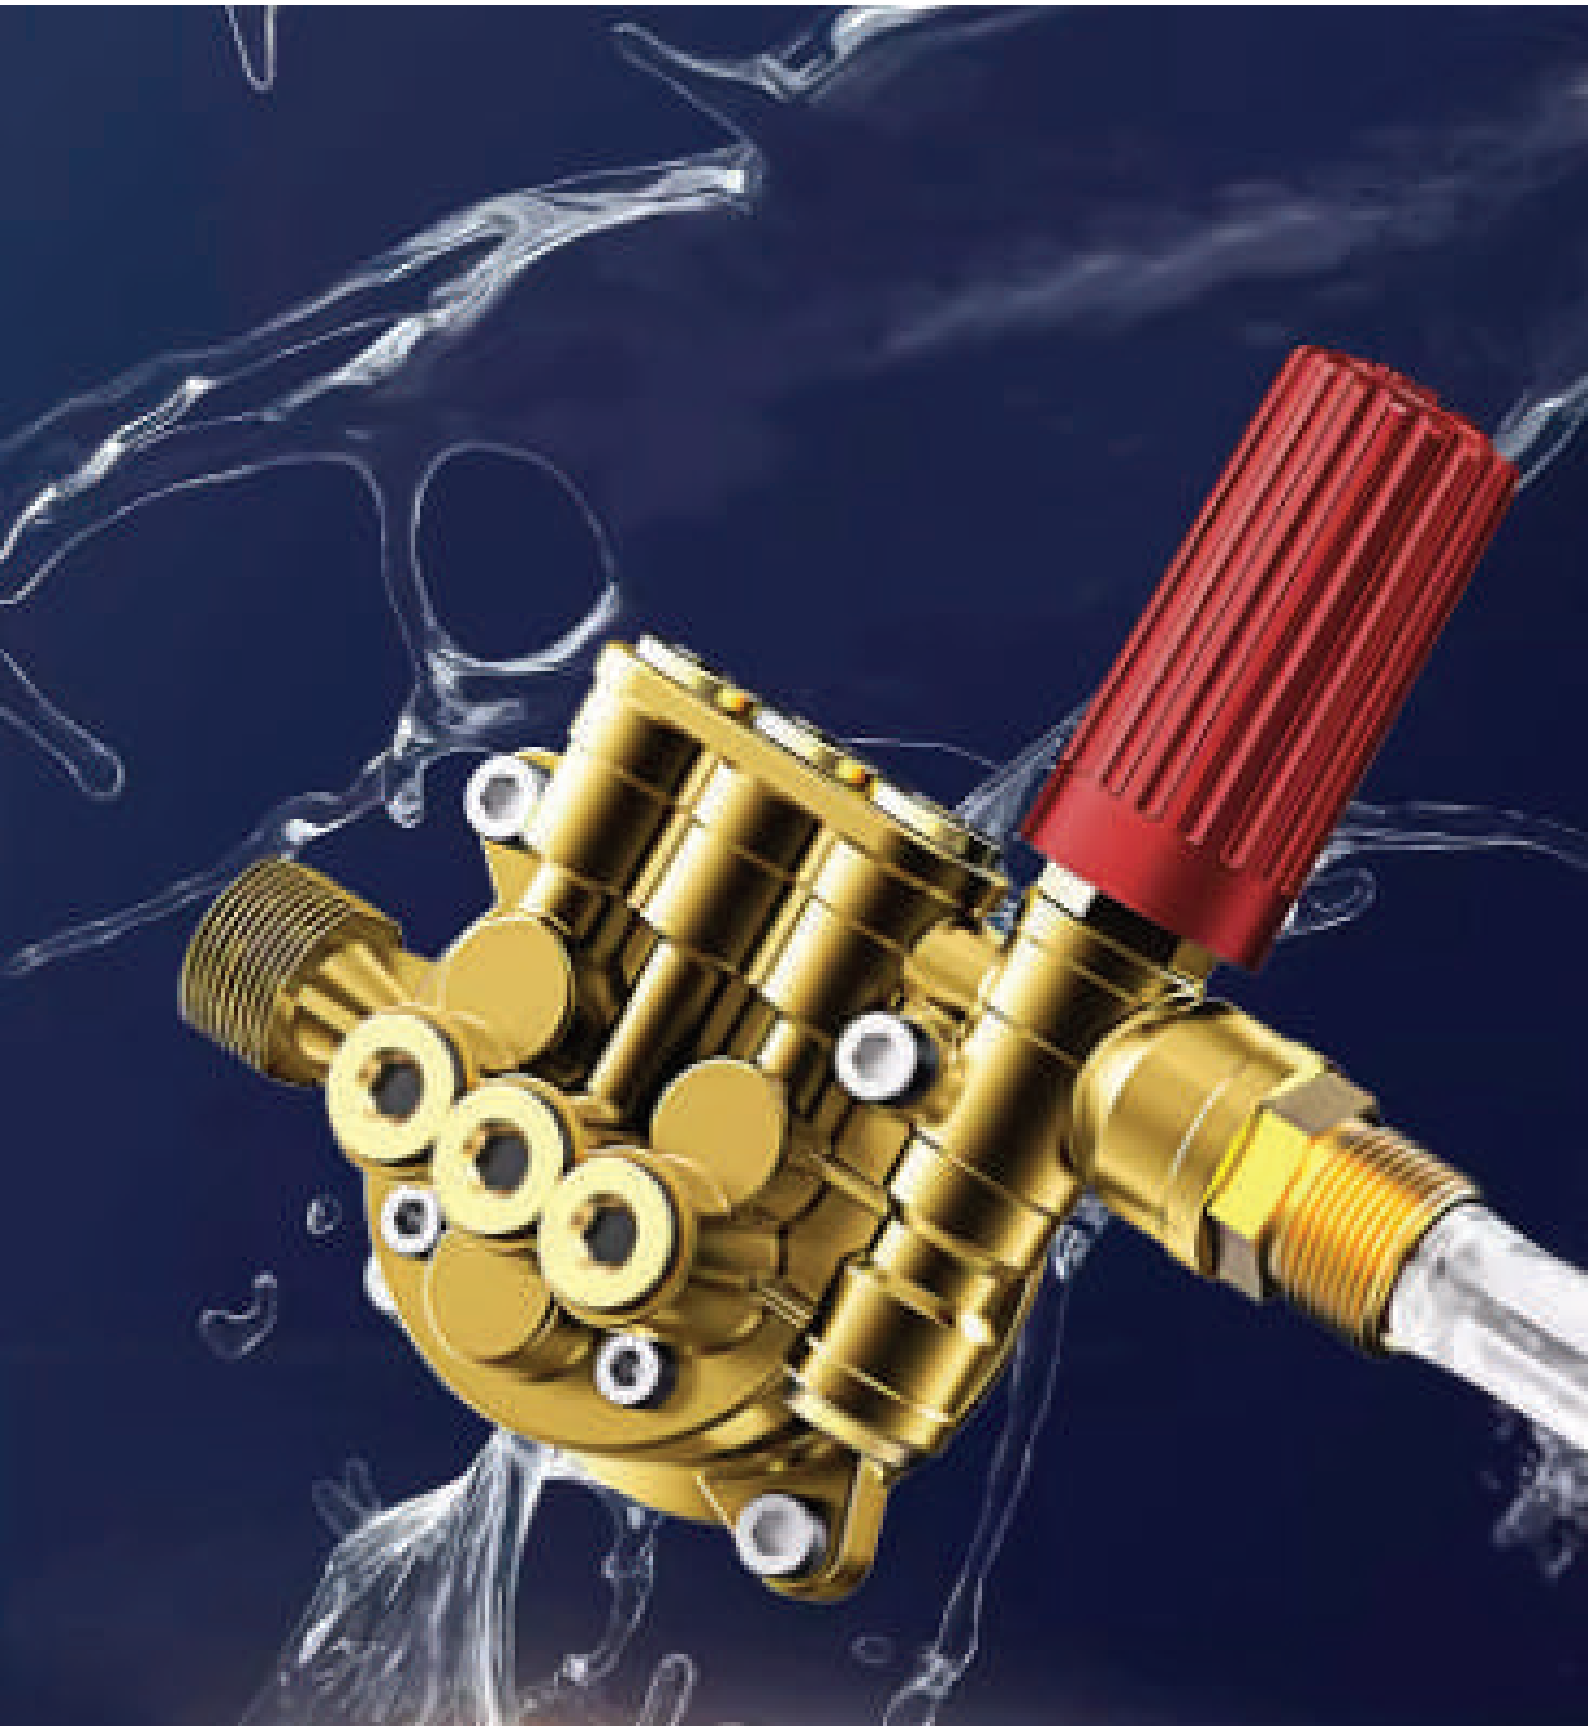

**Multiple Water
Types Available**

**Intelligent
Start Stop**

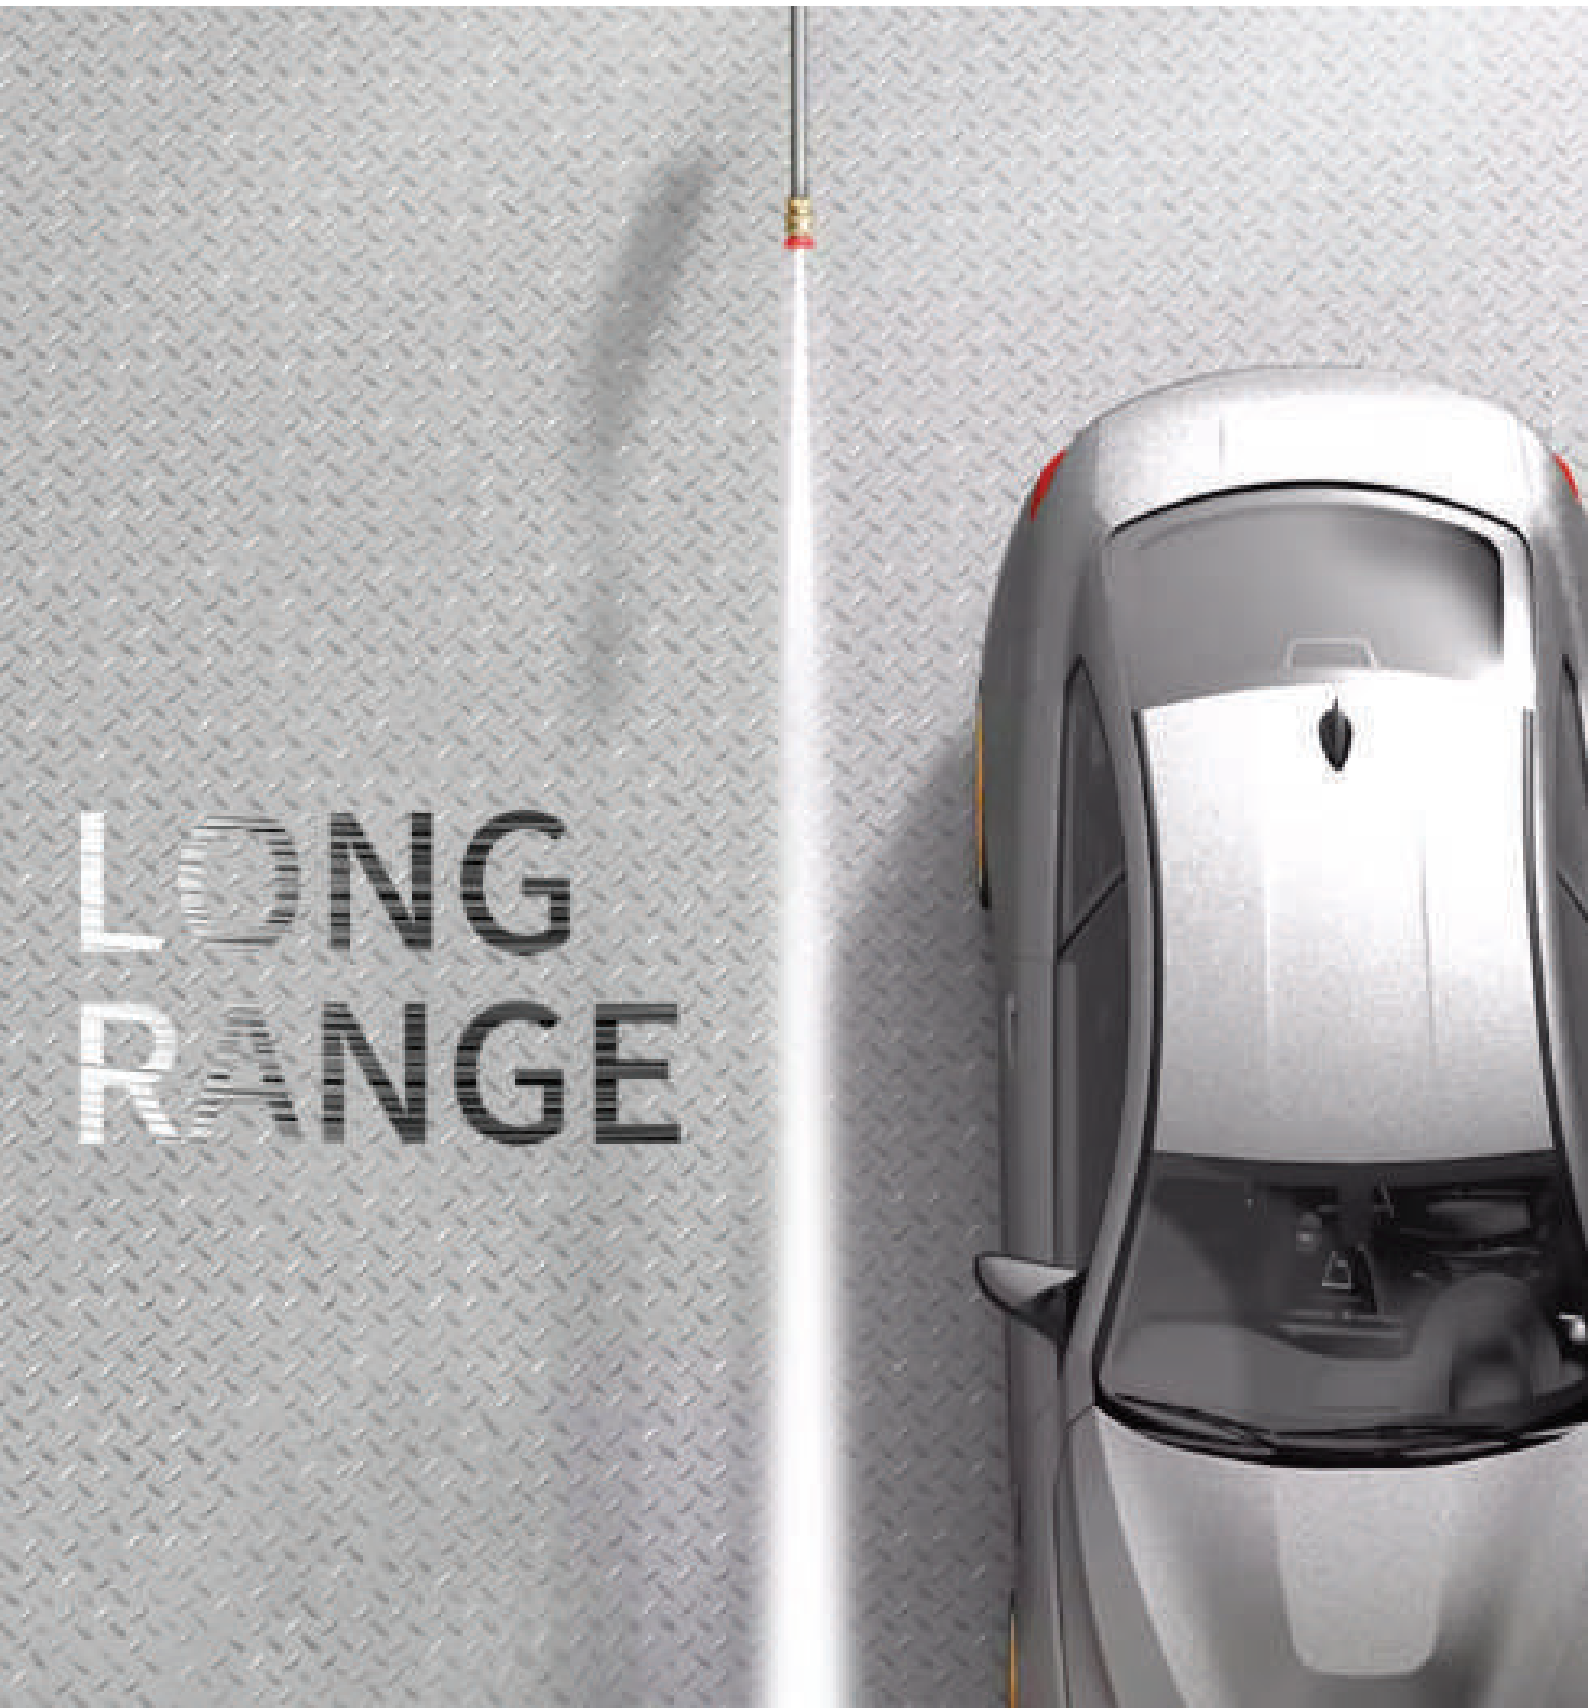

High-Pressure Water Flow for Maximum Efficiency

Durable, wear-resistant pump with stable output ensures powerful and continuous cleaning performance. Built for long service life and superior pressure stability.

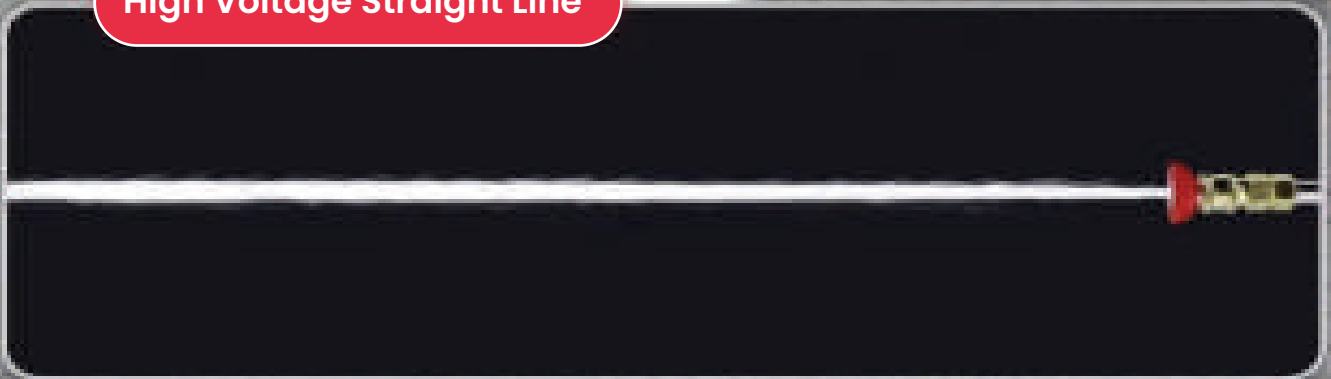

Powerful Long-Range Water Jet for Deep Cleaning

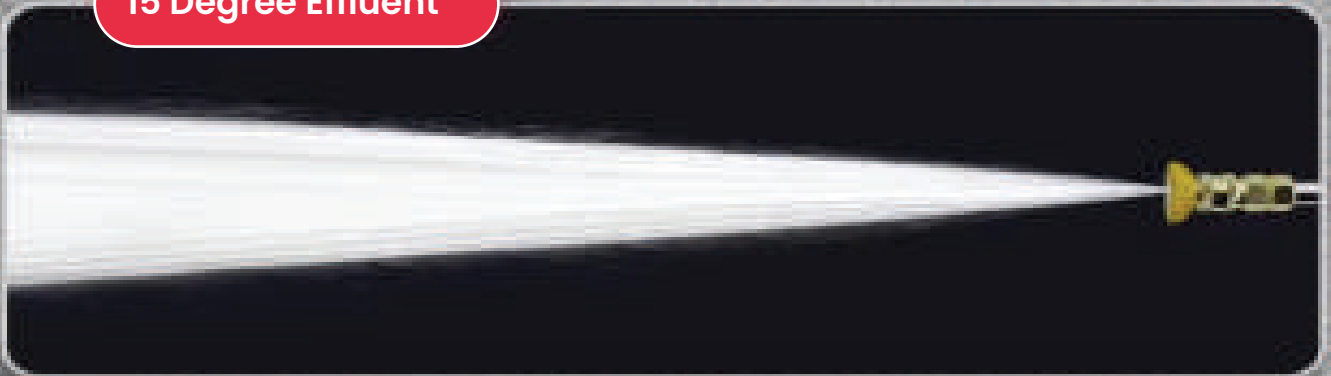

High-pressure water flow with multiple spray modes ensures maximum reach and effective cleaning, removing dirt effortlessly from any surface.

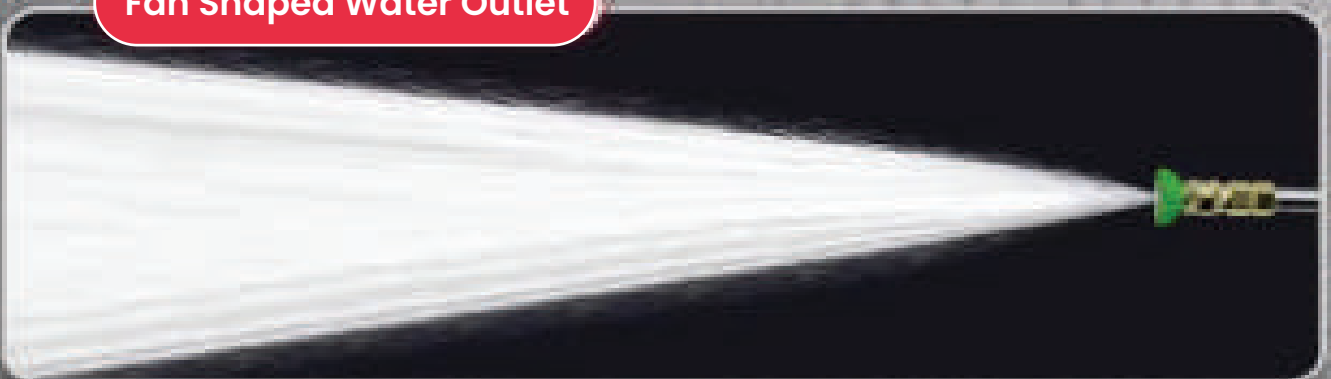

High Voltage Straight Line

15 Degree Effluent

Fan Shaped Water Outlet

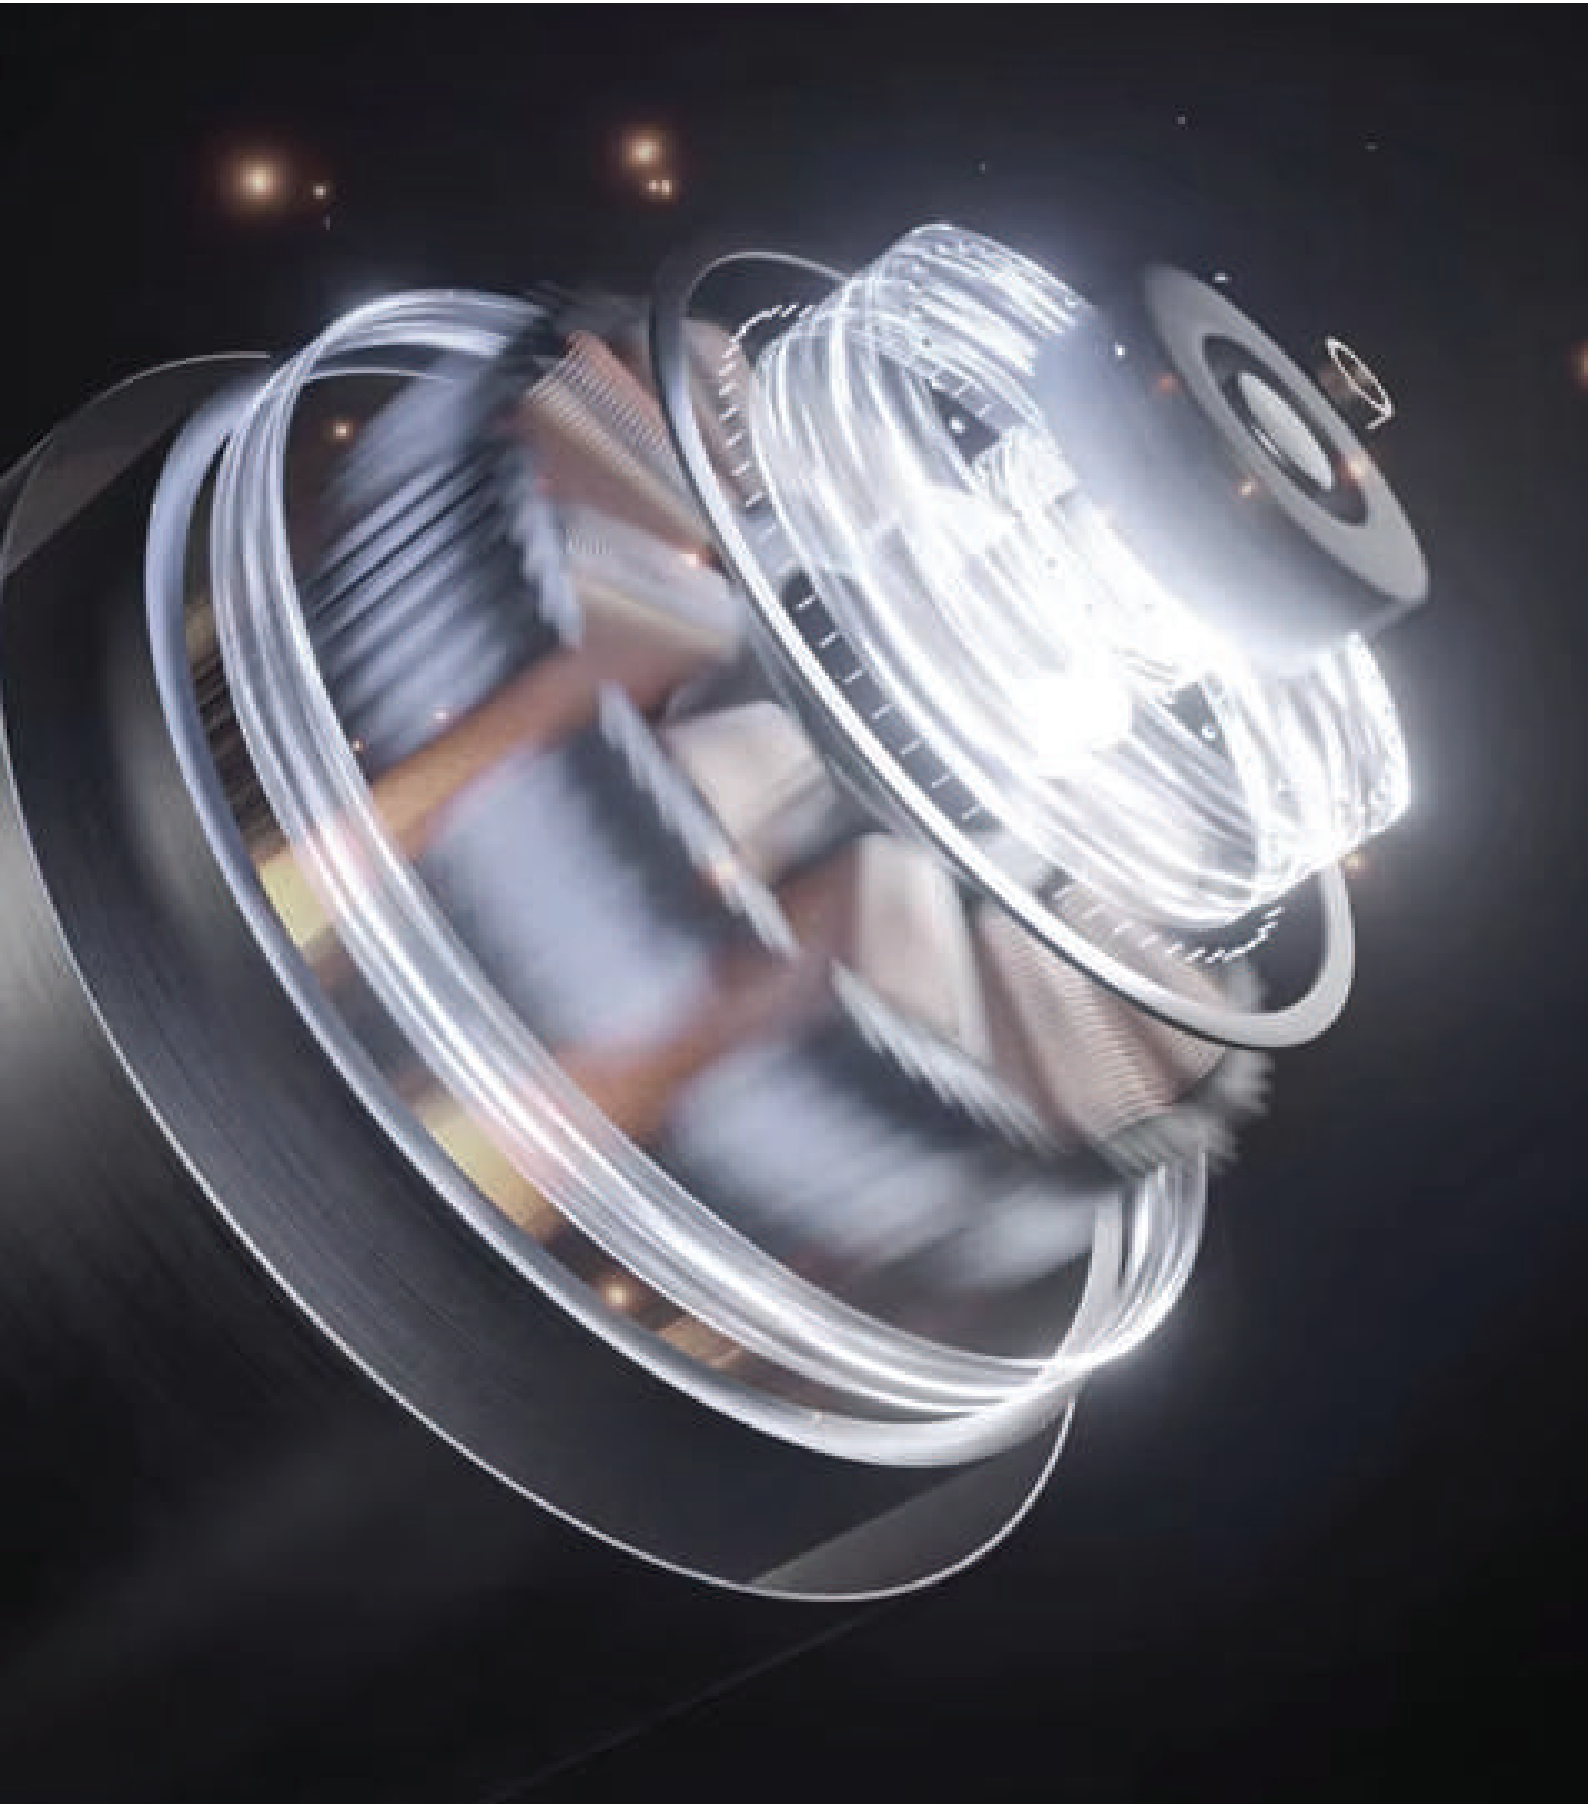

Atomized Effluent

Advanced Low-Voltage Start for Maximum Stability

Reliable performance with safety protection, ensuring continuous and powerful output without overheating.

Versatile Cleaning for Multiple Applications

From car washing to farm maintenance, courtyard cleaning to crop washing—powerful performance for all your cleaning needs.
