

ULTIMATE WET AND DRY CLEANING POWER

Experience Efficient and Reliable Cleaning Performance for Any Surface.

Product Size & Specifications

The DV-30 delivers strong suction and efficient performance for tough industrial cleaning tasks.

Tank Capacity	30L	Tank Dia	345mm
Voltage	220V	Height	760mm
Power	1000W	Accessories Size	40mm
Type	Wet & Dry	Wire Length	10m
Airflow	53L/s	Weight	12kg
Vacuum Suction	230Mbar	Size	410x410x780mm

High-Performance Motor for Reliable Power

Durable and efficient design ensures consistent suction for both wet and dry cleaning tasks.

Advanced Filtration System

Efficiently traps dust and debris, ensuring powerful suction and extended motor life for reliable performance.

Smooth Mobility for Effortless Cleaning

Durable caster wheels offer stability and easy maneuverability, making the DV-30 vacuum cleaner perfect for dynamic and efficient cleaning operations.

Powerful Cleaning, Built to Last

Powerful suction and durable design for efficient, reliable, and long-lasting cleaning performance.
